Shenzhen MyQ Smart Technology Co., Ltd.

Shenzhen MyQ Smart Technology Co., Ltd. has over 10 years of experience in the smart home industry, specializing in the R&D, design, and manufacturing of smart curtain motors, roller blind motors, and curtain tracks. As an official Tuya-authorized partner, we are committed to delivering reliable and innovative smart home solutions worldwide.

Our products support Tuya WiFi, Zigbee, Matter, and integrate seamlessly with Tuya Smart, Apple HomeKit, Google Home, Amazon Alexa, and SmartThings etc.

In addition to motorized curtain systems, we offer a wide range of Tuya ecosystem products, including smart locks, switches, security systems, and IoT devices, serving brands, distributors, project contractors, and e-commerce sellers.

Exporting to over 60 countries, our products meet UL, FCC, CE, RoHS, UKCA, and RED certifications, and are manufactured under ISO 9001 standards.
