LIFTING SOCKET

液压阻尼升降插座

Technology Aesthetics
Make our smart life within reach

意大利设计师精心之作，在汲取意式家居高定灵感，
用领先于潮流的先锋设计理念，
让升降插座的每一个细节都 闪耀着轻奢主义的光芒。
在功能方面，更人性化的设计、
航空级静音升降轨道以及更稳定的智能升降系统，将艺术性、智能性、
与现代审美的创新都融合在一起，其中科技与美学让我们的智能生活变得触手可及。

The Italian designer's elaborate work, drawing inspiration from Italian home furnishing,
With the pioneering design concept ahead of the trend,
Let every detail of the lift socket shine with the light of luxury.
In terms of function, more user-friendly design,
Aviation-grade silent lift track and a more stable intelligent lift system combine artistry, intelligence,
The innovations of modern aesthetics are all fused together,
in which technology and aesthetics make our smart life within reach.

The new definition of electricity from kitchen island

厨房岛台取电新定义

产品名称 Product name	液压阻尼升降插座 Hydraulic damping lifting socket
升降方式 Lifting method	液压升降 Hydraulic lifting
电压范围 Voltage range	110V~250V~
额定功率 Rated power	2500W
额定电流 Rated current	10-15A
USB模块输入 USB module input	110V~250V~ 50/60Hz
C-type模块输出 C-type module output	18W 5V⎓3.1A
USB模块输出 USB module output	24W 5V⎓2.4A
无线充电输出 Wireless charging output	10W
面板材质 Panel material	钢化玻璃面板 Tempered glass panel
产品认证 Certified product	CCC/CE认证 CCC/CE certification
台面开孔 Countertop opening	100mm
外壳材质 Shell material	航天铝合金 Aerospace aluminum alloy

四向取电插座
插孔四向分布，
电器取电更方便

Four way power socket
The jack is distributed in four directions,
More convenient power supply for electrical appliances

IP44级防水保护
产品关闭状态下，IP44结构设计
有效防止水溅泼，抗油渍

Ip44 waterproof protection
When the product is closed,
the IP44 structure design can effectively
prevent water splashing and oil stains

无线充电面板
兼容QI无线充电标准，与您的设备一贴即合
自动感应，让设备充电更便捷

Wireless charging panel
Compatible with the QI wireless charging standard,
it fits your device instantly
Automatic sensing makes device charging more convenient

过载保护
使用过程负载功率超过自身
电器会自动触发过载保护，休息5秒可开启按钮

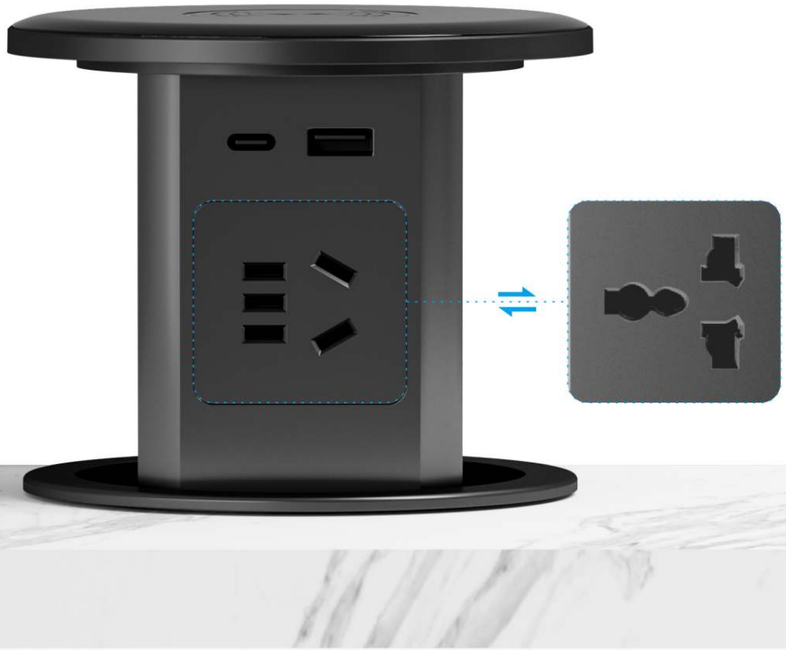

overload protection
The load power during use exceeds itself
The electrical appliance will automatically trigger overload protection,
and the button can be turned on after a 5-second rest

CUSTOMIZABLE LIFT SOCKET MODULEANY COMBINATION

Modules can be customized, different modules according to needs, to facilitate your life

可定制升降插座模块 任意搭配

模块可定制，根据需求不同模块，便利您的生活

Any combination of various modules
多种模块任意组合

国标五孔插座
five-hole socket

多功能三孔插座
MF three-hole socket

A13方角插座
A13 Square socket

美式三极扁插座
American Standard

美式插座
American socket

MORE SUITABLE FOR MORE COUNTERTOPS AND DESKTOPS

更为了适用更多台面、桌面
电视柜床头柜都能通用

安装便捷
巧妙融于台面中

垂直插座设计，
增加台面利用率更显台面整洁

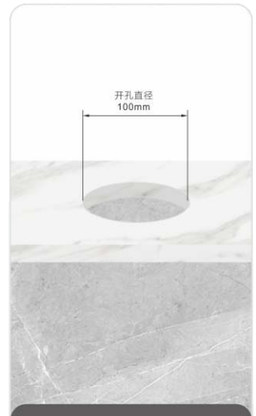

Convenient installation
Cleverly integrated into the countertop

Vertical socket design,
Increase the utilization rate of the countertop to enhance the cleanliness of the countertop

确定桌子底部有预留插座
桌子的桌上高度>100mm
桌子的桌下高度>210mm

Confirm that there is a reserved socket at the bottom of the table
Table height>100mm
The height under the table is>210mm

确定安装位置，
用开孔器开直径为100mm的孔

Determine the installation position and use a hole opener to drill holes with a diameter of 100mm

将插座放入开好的孔中，并用固定件固定好插座。

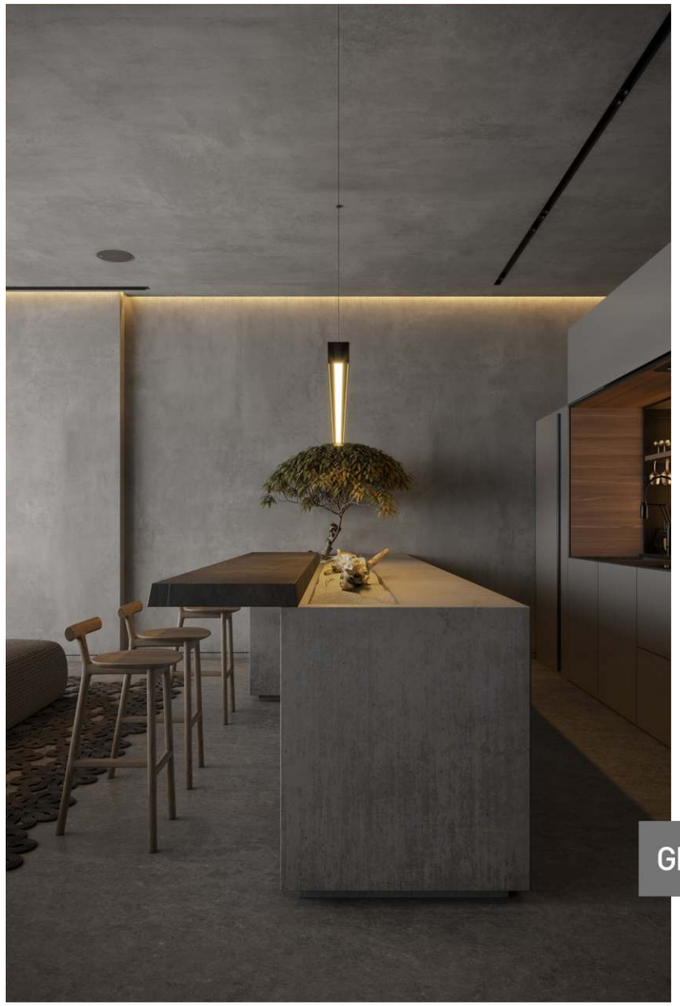

Place the socket into the opened hole and use the
Fix the socket with the fixing parts.

将插座通电，安装完成

Power on the socket and complete the installation

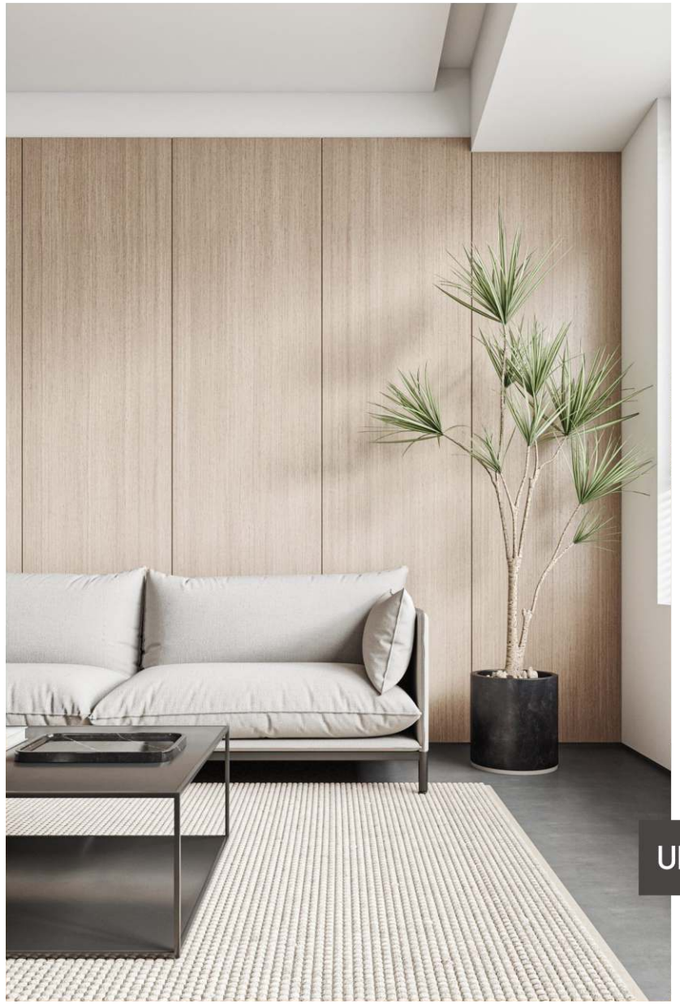

Precise lamination, outer circle and inner square
Design is not out of the norm
Break through yourself in a traditional space
Perfect combination of radian and squarerigid and soft
Tough and streamlined
Here to achieve the most beautiful romantic gaze

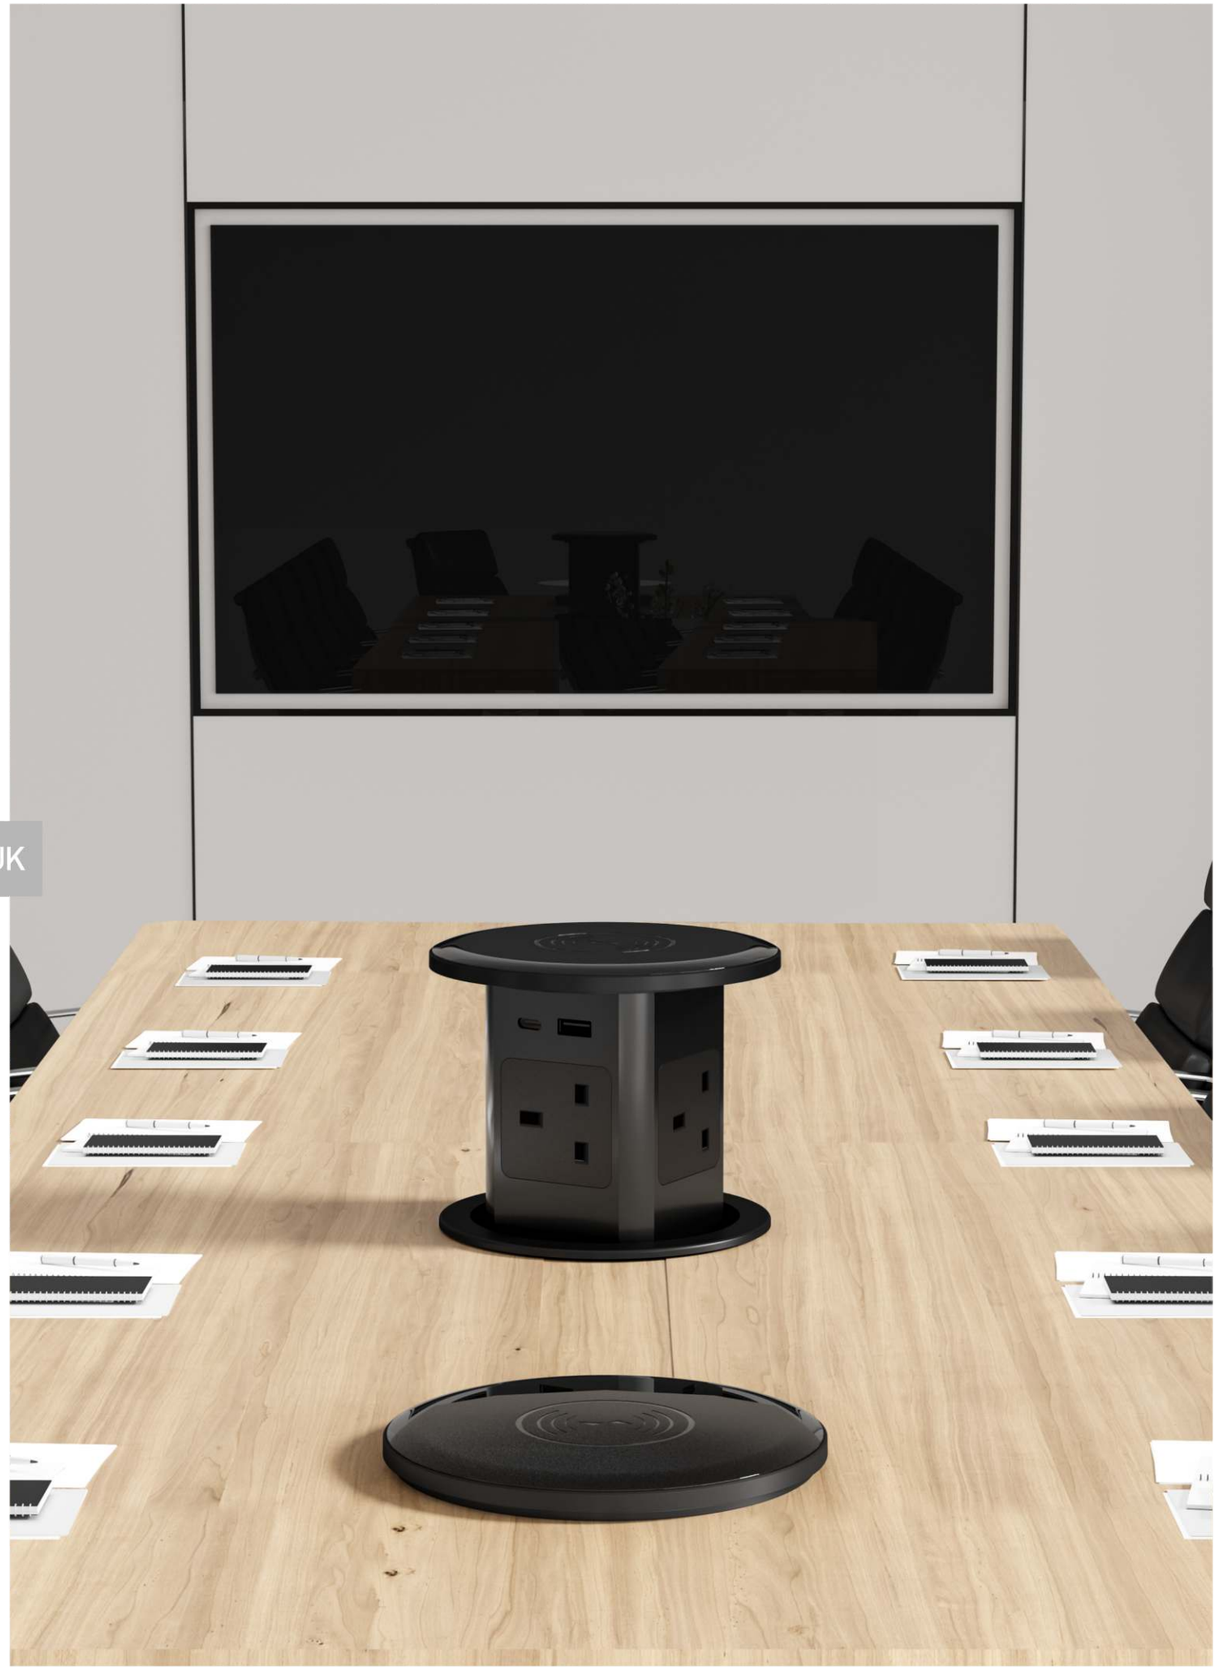

三色可选/Available in three colors

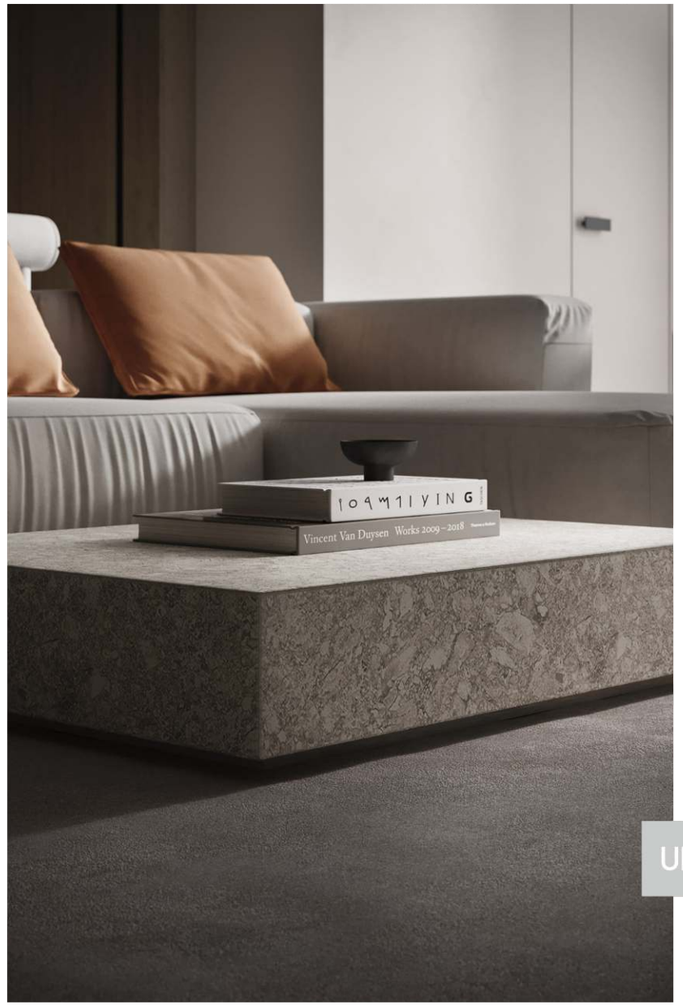

Encounter high-end drawing process
Reject the absolute brilliance of metal
Hide the edge between the gradual and gradual tones,
there is a sharp edge, but it is not cold
Perfect for hotels, villas, entertainment and leisure needs

三色可选/Available in three colors

UK

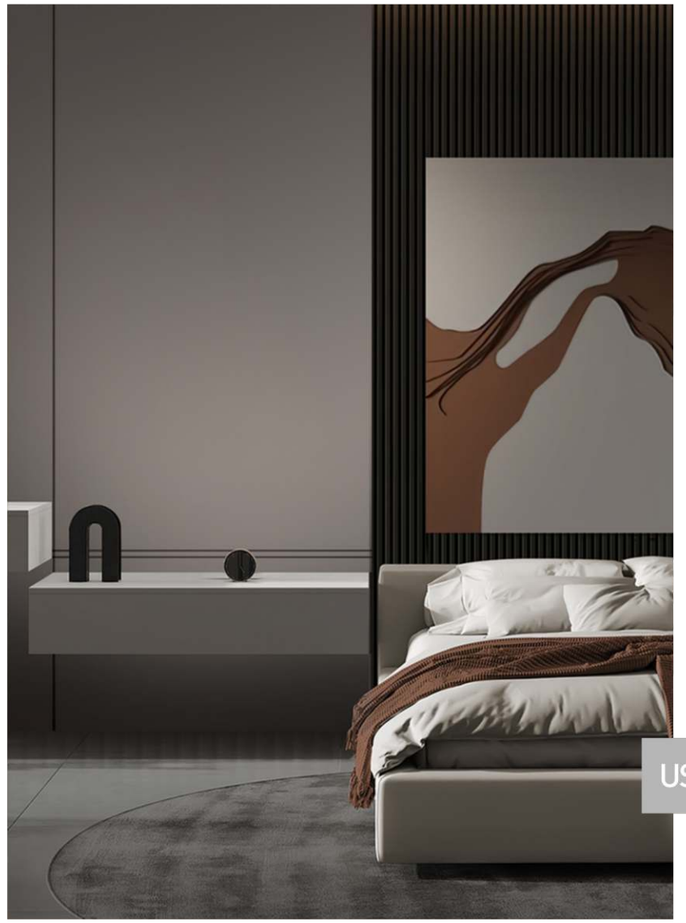

UK

Forging process, highlighting the ultimate details
Extraordinary temperament, deep interpretation of affection
The birth of the lift socket means a new style
It never competes with anyone
But always be the focus of light
You can't ignore its existence, just as you fall in love with it at first sight
